

Senior Fall Soccer Registration

The Gorge Online Registration system for the season (September – March) is open. Gorge requires that seniors also register with the club directly (vs just with VISL and LIWSA) such that senior member payment tracking is available, senior member statistics can be kept year-to-year and communications can be provided (by club or your team staff).

GETTING STARTED

The most important thing is to register with the club AS SOON AS POSSIBLE.

- Register early to ensure a spot for your player next season & save on your registration fee! Last season we had to implement a waitlist for some divisions. In some divisions the club does fill up and players can get waitlisted. **Please make sure you register early.**
- If you do pay and change your mind we can always de-register the players and the club can provide refund of fees if you have also paid.
- Players that want to pay by cheque are still required to complete the online registration form – the link can be found on the top left hand side under "Online Services" then "Senior Men's Registration" or "Senior Women's Registration".
- The online registration allows for secure Credit Card or E-Check payment through PayPal.

IMPORTANT

- **Gorge requires a minimum of \$100 deposit be paid before the player starts training / playing. Payment in full is desired.**
- **Those that have arranged payment plans with Gorge; have paid deposits; or those waiting for Financial Assistant programs will be the exception.**

Please carefully read the registration instructions below before you register online.

UNIFORMS / UNIFORM DEPOSIT

Gorge does not charge for a uniform deposit; instead, for the u9 and above age groups we sell the players a kit (jersey/shorts/socks) for \$25.00 which is the player keeps and uses year to year. When the kit is outgrown or lost, the players can always purchase another kit.

For teams that are sponsored, the kit is provided to the players for free.

Sorry, we cannot refund money paid for soccer kits that have already been worn.

IMPORTANT

Gorge will NOT provide a uniform to anyone who has not paid their uniform fee (in person or online). The only reason for this is to ease the administrative burden of tracking payments.
